

POLICE DEPARTMENT OF THE  
**BOROUGH OF WALLINGTON**  
BERGEN COUNTY, N.J.  
973-473-1715

On March 1<sup>st</sup>, 2017, officers of the Wallington Police Department will begin wearing body worn cameras during their patrol shifts. These cameras will be used to record citizen interactions with the public as outlined by the NJ State Attorney General Directive 2015-1 and guidelines issued by the Bergen County Prosecutor's Office.

The cameras will be attached to the exterior of the officer's uniforms and will capture video as well as audio. Cameras will be activated prior to citizen interactions and will include such events as motor vehicle stops, motor vehicle crash scenes, major crime scenes, motor vehicle pursuits, criminal violations, investigative detentions, citizen searches, arrests, and domestic violence investigations.
